Message:

Examiner Pickett,

Per our earlier telephone conversation, attached is new Fig. 12 that our client is considering adding by amendment to U.S. Patent Application No. 09/936,751 ("the Application"), in response to your Office Action, dated November 29, 2002. New Fig. 12 is similar to Fig. 1 of the Application and includes a partition that is described in the last paragraph on page 7 of the Application.

Feel free to contact me if you have any questions or concerns regarding anything above.

Best Regards,

*Dennis Butler*
